

True Fighters Martial Arts Academy – RAG Knowledge Base

Academy Overview

True Fighters Martial Arts Academy is a martial arts training institution focused on karate and self-defence education. The academy develops physical fitness, mental discipline, self-confidence, and personal growth for students of all age groups.

Vision and Mission

Vision: To create confident, disciplined, and physically fit individuals through structured martial arts training.

Mission: To provide quality karate and self-defence education, promote discipline and respect, build confidence and leadership, and support physical and emotional well-being.

Training Programs

Karate training from basics to advanced levels, Kata practice, controlled sparring (Kumite), practical self-defence techniques, and fitness conditioning to improve strength, flexibility, and stamina.

Daily Training Structure

Opening discipline and focus, warm-up and stretching, karate techniques practice, repetition drills, and cooldown with session closure.

Teaching Methodology

Progressive learning, age-based training, discipline-first approach, safety-focused practice, and positive reinforcement to build confidence.

Belt System and Evaluation

Students progress through belt levels based on attendance, technical accuracy, discipline, attitude, physical improvement, and ability to follow instructions.

Age Groups and Benefits

Kids: discipline, focus, confidence, coordination.

Teenagers: strength, stamina, emotional control, leadership.

Adults: fitness, flexibility, self-defence, stress relief.

Self-Defence Training

Focus on situational awareness, escape techniques, defensive responses, and personal safety rather than aggression.

Discipline and Conduct

Students must be punctual, wear proper uniforms, respect instructors and peers, and maintain cleanliness and order.

Instructor Role

Instructors demonstrate techniques, correct posture, ensure safety, monitor progress, and mentor students.
